What is it?
Our department receives numerous messages each week, describing the generous, kind and caring efforts of HRE employees. The Community & Connection Award has been established for residents to be able to recognize the role of HRE employees who have served as a support and/or resource that has contributed to their positive experience in Housing.

Why do you want to recognize someone for it?
Residents look for ways to express their appreciation for assistance, care, or simply someone going out of their way to make their lives a bit less stressful. The unique aspect of this award is that an employee can only be nominated for the award by a current resident in a residential facility—single student housing or graduate and family housing.

What do I do to nominate?
Go to http://www.housing.ufl.edu/community-connection-nomination-form/
Or Fill out the form down below!

RESIDENT NOMINATOR
Name: ___________________________________________ Email: ______________________________
Campus Address: ___________________________________________________________________

HRE STAFF YOU WOULD LIKE TO RECOGNIZE
