A MESSAGE TO ALL STUDENTS
LEAVING CAMPUS:

Given that classes are now scheduled for online only throughout the summer of 2020, we ask that you keep this request in mind. As you leave the University of Florida for the summer or have the opportunity to return to collect your belongings left behind, please take all of your belongings to include your bicycle, scooter and/or motorcycle.

This will greatly help reduce the risk of theft involving your personal property. If you are unable to take your bicycle, scooter and/or motorcycle, we ask that you please find a secure, well lit location to lock those items up. You should also try to use a hardened device such as a U-Lock to do so. Those who use chain or cable locks have been found to be the most vulnerable to theft. As another alternative, there are companies around Gainesville that have the ability to take in bicycles, scooters and/or motorcycles and provide a secure storage location for a fee.

Our goal remains helping to ensure your personal safety and the retention of your personal property and this request can help us achieve that goal. We look forward to seeing you all back on campus soon!

TOGETHER FOR A SAFER COMMUNITY.
